        1. https://robertsrules.com/
        2. https://assembly.cornell.edu/sites/default/files/roberts_rules_simplified.pdf
        3. Core Principles
            1. **One thing at a time:** Only one main motion (a proposal for action) can be discussed at a given time.

2. **Fairness and equality:** All members have equal rights, privileges, and obligations.
3. **Majority rules, minority heard:** Decisions are determined by a majority vote, but sufficient time and debate must be allowed so the minority can voice concerns.
4. **Impartiality:** The Chair (presiding officer) remains neutral and facilitates the meeting rather than advocating for specific outcomes.
5. **Quorum:** A minimum number of members (as defined by the group's bylaws) must be present to legally conduct business.

4. The 4 Basic Steps of a Motion: When a member wants the group to take action, they use the following process:
    1. **Make a Motion:** The member is recognized by the Chair and states their proposal. (e.g., *"I move that we allocate $500 for the annual charity event."*)
    2. **Second the Motion:** Another member seconds the motion to show there is enough interest to discuss it.
    3. **Debate the Motion:** The Chair repeats the motion and opens the floor for discussion. The maker of the motion is typically allowed to speak first.
    4. **Vote on the Motion:** The Chair restates the motion and calls for a vote (e.g., *"All in favor say Aye..."*), then announces the results.
5. Common Motions
    1. **To Amend:** Modifies the wording of a pending motion before it is voted on (e.g., *"I move to amend the motion by changing $500 to $300."*)
    2. **Point of Order:** Used by a member to call attention to a violation of the rules.
    3. **Table:** Delays the discussion of a motion to a later time or indefinite date.
    4. **Adjourn:** Ends the meeting.
